OVERVIEW

GresikDev and some local communities teamed up and proposed to the GNOME Foundation and GNOME Asia Committee that the upcoming GNOME Asia Summit 2019 to be hosted in Gresik, Indonesia. The date will be on October, after GNOME 3.34.1 release schedule. With this event, we hope to attract more people to use GNOME (and Linux) especially from Indonesia, and to promote Indonesian contribution to open source through GNOME.

Gresik is a city nearby Surabaya, the second biggest city in Indonesia. It is already well known to the world since 11th century as a trade center. Gresik happened to be one of the earliest entrance gate for Islam's spreading across the Island of Jawa, and one of the greatest Islamic Empire in Indonesia. Nowaday, Gresik is well known as the city of Industry, with some historic attractions such as the Tomb of Sunan Giri, the Tomb of Maulana Malik Ibrahim, Kampung Kemasan, as well as scenic attraction such as Delegan Beach and Bawean Island.
